Shortly thereafter, [REDACTED] telephone [REDACTED] telephonically contacted the Palm Springs RA and provided the following information:

In early 1991, [REDACTED] was approached by [REDACTED] who is [REDACTED] for BILLIE SOL ESTES a known con-man. [REDACTED] came to [REDACTED] because he had heard [REDACTED] has contacts in the movie industry in Hollywood, California. [REDACTED] speaking for ESTES who is in poor health, wanted [REDACTED] to script a movie on the true details of the KENNEDY assassination. It was represented to [REDACTED] that ESTES had tape recordings with evidence that Former PRESIDENT JOHNSON had some involvement in the KENNEDY assassination. During the year that [REDACTED] worked with [REDACTED] and ESTES on the details of the movie, it became clear to [REDACTED] that ESTES had no evidence whatsoever to support his theory of the assassination. When he challenged ESTES to provide evidence or documentation to support his claims, ESTES refused unless he was provided with \$5 million up front prior to releasing any proof or evidence.

[REDACTED] After dealing with ESTES and [REDACTED] for over a year, [REDACTED] feels that this is simply a con by ESTES to obtain \$5 million. He does not believe that ESTES has any information of value concerning the assassination.
